Summer term 2025

Welcome back to you and your children, we hope you all had a lovely Easter break. We have already been back a week into this short term, as we welcome Ralphy, Ava and Evie. It's been lovely to see them explore the environment and settle quickly thanks to many of the other children who happily show them the way. The weather has been lovely and the sun shining so of course lots of fun in the garden where the children love to be!

We are excited to start PE with the children this term. Our school leavers have been asked to bring in a PE kit to leave at Pre School. This gives them the opportunity to undress and dress themselves ready for school. We will encourage them to turn their clothes from inside out and the right way around, but remembering however they put it on is ok, they dressed themselves! We will all take part in exercising during the afternoon session, a bit of yoga, games and of course we'll start practicing for sports day. In previous years PE has been a big hit and very enjoyable 😊

Reminders

The weather is changing and summer is coming!
