

Tillingham Pre-School Newsletter

Summer term

We would like to welcome you and your children back after the Easter Holidays and hope you had a lovely break. We have a busy term coming up and lots of dates for the diary, please see below.

We would like to say a big hello and welcome to Christopher, Fia, George, Harry, Mia, and Theodore who have started their Pre School journey with us and have settled amazingly.

Our Curiosity Journey is going strong as we are coming to the end of Module 1, over the next couple of weeks we will be looking into sand, water and digging. A big favourite with many of the children, we will explore new ideas and resources for them to use and take part in. Please keep an eye out on our face book page for the 'donation station' any help is gratefully received.

We are excited to start PE with the children this term. Our school leavers have been asked to bring in a PE kit to leave at Pre School (we are still waiting on a couple more please). This gives them the opportunity to undress

and dress themselves ready for school. We will encourage them to turn their clothes from inside out and the right way around, but remembering however they put it on is ok, they dressed themselves! We will all take part in exercising, a bit of yoga, games and of course start practicing for sports day. In previous years PE has been a big hit and very enjoyable.

Running, skipping, jumping and climbing all help little bodies grow stronger muscles and build up their endurance. Plus, establishing this positive relationship with physical activity in a child's early years sets them up for a healthy attitude towards maintaining an active lifestyle into adulthood.

Reminders

We're all waiting for summer to arrive and the sun to shine but in the mean time it can be chilly outside, please pack the children appropriate clothing and wellies as the grass is still quite wet.

Please name all clothing it makes it so much easier for the children (and us)

Please do not bring any food or drink into the hall except lunch boxes on a Monday, Wednesday and Friday, please remember we are NUT FREE.

If you have any questions or would like any further information please speak to Karen or Emma, alternatively feel free to send a message to your child's key person.
